Comment: Owner of a 4 seat Piper Warrior. I see no reason to be forced to spend about \$1,000.00. at this time. I have a working 121.5, as well as 2 of the newer 406 portables. I would replace my 121.5 when it fails. Flying is an expensive hobby. Based on the above, I see no reason to be forced to spend the extra money now.
